

**WASSER**<sup>®</sup>

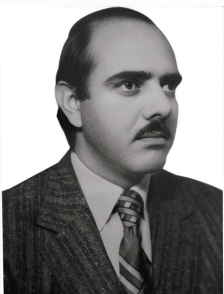

## HISTORY OF THE COMPANY

**O**ur company was established in the year 1974. It takes the title after its namesake, Late King Faisal bin Abdul-Aziz when he visited Pakistan during the same period and met with the founder Late Rana Abdul Rauf Khan. Their meeting assessed the lack of proper sanitary products in the country and eventually the idea of a manufacturing sanitary fitting plant came to fruition. Thus, after meticulous research and development, the first full bath set including shower and basin mixer were introduced.

1974

Founded by Rana Abdul Rauf Khan in Gujranwala, Pakistan.

1976

After Rigorous R&D The Company Introduces Full Bath Sanitary Set Including Shower and Basin Mixer.

1984

Rana Nasir Mehmood Khan is appointed as Director.

1986

The company Introduces all Accessories of Plastic Material Line.

1987

Captured Nationwide Sale in Islamic Republic of Pakistan.

1995

With increasing popularity, the company starts taking orders from United Arab Emirates.

1997

Rana Faisal Rauf Khan is appointed as Director of the company.

1999

Celebrating **25** of the iconic sanitary fitting brand.

2000

Keeping in step with the rest of the world, Information Technology is integrated into the company.

2002

Rana Amir Rauf Khan appointed as Director of the company.

## ABOUT US

**W**e are one of the Pakistan's leading manufacturing companies for bathroom sanitary fittings. The products range from C.P. fittings to deluxe bathroom accessories with high quality standards that have fulfilled more than 65% of the country's demand. Our company has taken on board an integrated range of manufacturing aspects in sanitary fittings, from the inclusion of brass rode mill, automation of plastic products line and chrome series to Physical Vapor Deposition (PVD) coated plant. The aforementioned combination of state-of-arts technology, rigorous testing during the manufacturing process and strict quality controls serve as the guarantee behind each and every article that bears the company's hallmark, satisfying customers not only in Pakistan but also worldwide.

1989

The company enters the international market starting with United Kingdom.

1990

Opened our Mill for manufacturing of Brass Rode.

1992

Rana Nasir Mehmood Khan is named the Chief Executive Officer.

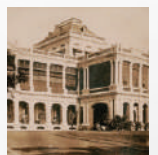

1993

The industry's first ever Physical Vapor Deposition (PVD) Coated Plant is installed.

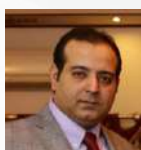

1994

Export to Singapore is started.

2008

Rana Salman Nasir Khan appointed as Director of the company.

2012

Rana Faizan Nasir Khan appointed as Director of the company.

2015

Plastic product line plant is put on full automation.

2018

Automation added to chrome series.

2023

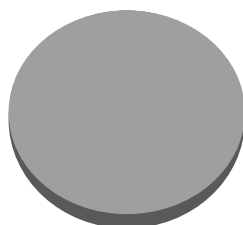

Export to Kingdom of Saudi Arabia is started.
